Terms and conditions:

If you agree that your dog can be let off the lead while being exercised you are agreeing to accept full responsibility if your dog runs away or gets lost.

Payment is to be paid before the dog leaves the premises. BACS preferred.

Vaccination against kennel cough is highly recommended. Hinton's Hounds can take no responsibility for your dog contracting any viral diseases while staying with us.

All dogs are accepted at their owners' risk. While every possible care and attention is given to each dog, we cannot be held responsible for any injury, illness, loss, damage or death, howsoever arising. Any vet fees incurred during the dogs stay will be covered by you the owner. In the case of emergency even though every attempt will be made to contact you the owner on the numbers provided where it is not possible all decisions will be made by Hinton's hounds alongside the vet on duty at Langport veterinary centre, TA10 9PS or Kingfisher Practise in Martock TA12 6HB .

Dogs must be kept up to date with flea, Tick & worming treatments.

I understand and accept my Dog(s) may loose weight from the changes in being away from home for example the increased level of mental and physical exercise, stress and excitement please ensure enough food is supplied and extra so if this does happen extra food can be given.

I understand that Hintons hounds have dogs of their own and other resident dogs are also there, I give permission for my dog to be boarded with both resident dogs and other boarding dogs and accept that Hinton's hounds will take every precaution to ensure the safety of all dogs.

Entire males are accepted for boarding. Even though Hinton's hounds will take every care in ensuring they are kept separated from un-neutered females we cannot take any reasonability for any accidents that may occur.
